

ISABMEC 2012 Information for presenter

August 2, 2012

Oral presentation

- Total time for each presentation is 15 minutes, which consists of 10min presentation, 3min discussion, and 2min transition. Each oral presenter is asked to make his/her presentation concise so that it will finish within 10 minutes.
- We will prepare only screen projector and pointer. Please use your own laptop PC for the presentation. Please make sure the connection between your laptop and the projector before your session. During the presentation just before yours, please open your PowerPoint file in advance. (We would not like to wait your start watching a long loading screen...)
- We will also prepare the speaker ready room (1F Room 101).
